Improved Operator Safety & Comfort

- All working parts are fully guarded.
- The Centrac® FCC Tube Closer angle of operation is infinitely variable through 90°, to adjust to each individual user.

Space-Efficient, for Improved Productivity

- Compact, space-efficient footprint to conveniently fit on a small work bench.
Centrac® FCC Tube Closer: 267mm x 330mm x 308mm.
Vesta 1C Tube Sealer: 400mm x 345mm x 700mm.

Delivery within Days

- Both Adelphi Manufacturing tube sealing solutions are available off-the-shelf, for immediate dispatch.

Adelphi Manufacturing also offers the Response Benchtop Tube Filler, for efficient filling of liquids, gels, creams and pastes into tubes.
