

Burford® Smart Shaker

MODEL DC5200 - RIGHT HAND, MODEL DC5300 - LEFT HAND

The Burford® Smart Shaker is designed with integrated pan clamps that center dough pieces by using orbital, in-line or hardway motion. Depending on your product configuration, the DC5200 can be programmed for the specific motion that will provide the best results. Through innovative technology dough correction has never been easier.

- Labor saving
- 3 motion profiles
- Integrated conveyor
- Easy component access
- Operator friendly controls
- Automated pan clamp system
